

# POKER RUN

To benefit 5 year old Grace DeGraffenreid  
Saturday October 22, 2011 10:00 am - 3:30 pm

## Everyone is Welcome - All Vehicles - All Years!

Grace is 5 years old and has been affected by Spinal Muscular Atrophy (SMA) since she was 3 weeks old. SMA is a neuromuscular disorder that affects voluntary movement such as sitting, standing, walking, and eating. It can also severely affect the respiratory system. Grace has had nearly 100 hospitalizations mostly due to pneumonia. She has had 3 surgeries and many more to come. Grace cannot sit, stand, walk, eat or drink. She attends classes at the Special Learning Center where she gets physical, occupational, and speech therapies and uses several assisted seating devices. Grace is bright and sociable and has a very spunky and outgoing personality. She has come a long way despite being given a prognosis of less than 1 yr.
